

# PrimaPharma compulsory health insurance

## What you need to know

You have chosen PrimaPharma, a innovative and advantageous alternative insurance model based on prior advice in your pharmacy.

### Principles of insurance

- › In the event of a health problem, you go to one of our partner pharmacies, which will assess your health condition and provide guidance on the therapeutic steps to take.
- › Self-medication treatment will be recommended wherever possible.
- › If it is necessary to visit a medical practice, the pharmacist will refer you to the appropriate doctor.

### You are not required to see your pharmacist:

- › in the event of an emergency;
- › for gynaecological check-ups and treatments and those related to pregnancy and childbirth;
- › for eye, dental and paediatric check-ups and treatments.

The current terms and conditions of insurance apply.
